

RACK SERVERS - KIOSKS - TRADE SHOWS - LEASE END RETURNS - REVERSE LOGISTICS - HOME DELIVERY

Key Benefits

Time Specific Delivery- FSP provides Overnight to 4 Day Time Definite Delivery options. FSP uses Air Ride Vehicles and Dedicated Cargo Space to facilitate any transit requirement. Our team of Program Managers and Customer Service Specialists provide a seamless On Time & Safe Delivery for our customers every time.

Value Added Services- FSP has a Network of Terminals with Fully Trained Delivery Teams which execute on our Customer Specific SOP Delivery Requirements ranging from Installer Coordination, Inside Delivery, Placement, Unpacking, and Dunnage Removal. Our Delivery Teams are Continually Trained and Tested to assure complete customer Satisfaction.

Program Management- FSP assigns a Program Manager for Every Customer. The program manager is responsible for ensuring all Customer Specific Requirements are met including: Site Surveys, Identification of Delivery Requirements, Delivery Teams Trained, Safety Instructions Updated. The Program Manager is also responsible for Timely and Accurate Reporting of Transit Data in the format preferred by our customer. In short, FSP provides our customers with a direct link into all aspects of the logistics cycle through one well seasoned and trained Single Point of Contact. End to End Responsibility available 24 hrs a day.

Since 1989 Freight Solution Providers (FSP) has offered specialized transportation solutions, complex deliveries and reverse logistics for high tech equipment such as loaded rack servers, telecommunications cabinets, high-end network printers, projectors, industrial plotters, and more.

FSP's services include transportation end to end. FSP provides after hours pickup to expedited delivery, date/time specific, delivery teams, stair-climbers, assembly, inside delivery, placement, dunnage removal and crating return.
