

RACK SERVERS - KIOSKS - TRADE SHOWS - LEASE END RETURNS - REVERSE LOGISTICS - HOME DELIVERY

Freight Solution Providers End of Lease Return Services provide superior visibility, communication, coordination, security, and ensure environmental compliance. Online and EDI booking, immediate pick up appointment scheduling, pre-call and site survey performed, collects asset tags and condition information, provides qualified packing practices, on-site data destruction, and all equipment safely returned to the appropriate depots as requested.

Lease closure is automated by EDI with the recovered assets information detail. FSP provides the tools, experience, and execution, necessary for successful End of Lease and Asset Recovery programs.
