

RACK SERVERS - KIOSKS - TRADE SHOWS - LEASE END RETURNS - REVERSE LOGISTICS - HOME DELIVERY

Key Benefits

Superior Customer Service- FSP strives to stay at the top of the industry with our customer service by continuously updating its equipment and facilities, and together with a skilled, experienced network we will continue to exceed your expectations.

Time Specific Delivery- FSP provides Overnight to 4 Day Time Definite Delivery options. FSP uses Air Ride Vehicles and Dedicated Cargo Space to facilitate any transit requirement. Our team of Program Managers and Customer Service Specialists provide a seamless On Time & Safe Delivery for our customers every time.

Program Management- FSP assigns a Program Manager for Every Customer. The program manager is responsible for ensuring all Customer Specific Requirements are met including: Site Surveys, Identification of Delivery Requirements, Delivery Teams Trained, Safety Instructions Updated. The Program Manager is also responsible for Timely and Accurate Reporting of Transit Data in the format preferred by our customer. In short, FSP provides our customers with a direct link into all aspects of the logistics cycle through one well seasoned and trained Single Point of Contact. End to End Responsibility available 24 hrs a day.

Freight Solution Providers recognizes the unique requirements of handling pharmaceutical transportation. We employ highly trained specialists who understand the heavy regulation, constant surveillance requirements, heightened security, and compliance needs.

Our centralized worldwide transportation management system integrates all touch points, providing our clients with real time tracking information. Our reliable and responsive management team bring you the experience and expertise required for the transportation needs of the Pharmaceutical Industry.
