Key Benefits

Time Specific Delivery- FSP provides Overnight to 4 Day Time Definite Delivery options. FSP uses Air Ride Vehicles and Dedicated Cargo Space to facilitate any transit requirement. Our team of Program Managers and Customer Service Specialists provide a seamless On Time & Safe Delivery for our customers every time.

White Glove Delivery- FSP has a Network of Terminals with Fully Trained Delivery Teams which execute on our Customer Specific SOP Delivery Requirements ranging from Installer Coordination, Inside Delivery, Placement, Unpacking, and Dunnage Removal. Our Delivery Teams are Continually Trained and Tested Quarterly to assure complete customer Satisfaction.

Program Management- FSP assigns a Program Manager for Every Customer. The program manager is responsible for ensuring all Customer Specific Requirements are met including: Site Surveys, Identification of Delivery Requirements, Delivery Teams Trained, Safety Instructions Updated. The Program Manager is also responsible for Timely and Accurate Reporting of Transit Data in the format preferred by our customer. In short, FSP provides our customers with a direct link into all aspects of the logistics cycle through one well seasoned and trained Single Point of Contact. End to End Responsibility available 24 hrs a day.

Since 1989 FSP has provided specialized transportation solutions for loaded rack servers.

FSP does not impose restrictions on shippers due to size. We have infrastructure to safely transport 92" tall racks and all product sizes and configurations in between. Our capacity is centered on the needs of our customers and prepared to accommodate your unique product lines and services.
