

RACK SERVERS - KIOSKS - TRADE SHOWS - LEASE END RETURNS - REVERSE LOGISTICS - HOME DELIVERY

Key Benefits

Visibility- FSP provides a higher level of visibility with our online real time tracking and immediate access to recovered asset information detailing tag numbers and specific condition of all equipment.

Communication- FSP communicates at every step of the delivery or return process with email, calls, EDI and automated reports to the shipper and consignee, keeping all involved informed in a timely fashion.

Coordination- FSP coordinates closely with everyone involved from booking to delivery ensuring all requirements are identified up front making for a smooth hassle free experience.

Security- We provide safe, secure, and reliable transportation services with our closed network. FSP's corporate cargo security program is monitored and certified by the TSA. FSP participates in C-TPAT and maintains contracted providers in CSA and FAST. FSP is an associate member of TAPA and enforces TAPA security guidelines along with our more stringent internal security processes.
